# ***BUILDING A SUSTAINABLE 2050: THE MULTINATIONAL AND TRANSDISCIPLINARY APPROACH TO A BETTER TOMORROW.***

**RUSSELL ANDERSON, MSDP**

Masters in Sustainable Development Practice, Florida Climate Institute

---

**TUESDAY, APRIL 24**

**12:45 – 1:45     GRINTER 376**

### **SUMMARY**

Tomorrow's challenges are immense. Globally, we are expected to exceed 10 Billion people by 2050, with a majority of those populations within near-coastal cities. The pathway towards a sustainable future will require the insights and collaborations of a spectrum of stakeholders, working in unison to make a just and equitable world for all.

In this Tropilunch, we will Learn about the rise of "The 2050 Consortium" and make time to listen to the insights and perspectives of our audience. The undertaking is immense, but we have the resources to make this vision a reality. Join us as we discuss the tasks, strategies, and opportunities towards a better tomorrow.
